Key Selling Points

Introducing Beoplay EX

Soul-stirring sound, fit for any ear. Beoplay EX is our most versatile earbud yet. Make a move and enjoy snug day-long comfort that never gives up. Hit play and listen with a level of detail that punches way above the small size. Waterproof, long-lasting and primed to block out any unwanted noise. So, you stay closer to the artists you love, wherever you go.

More comfortable than ever

So snug, you won't even know it's there. Beoplay EX features an all-new ergonomic design to give you a completely comfortable fit right out the case. The main body has been crafted to match both big and small ears, while the stick silhouette ensures absolute stability whether you're walking, jogging, or jumping. No compromise on beauty. Soft tips allow you to play for hours without any fatigue. If you're looking for soul-stirring sound minus the bulk, Beoplay EX are yours.

IP57 waterproof

Beoplay EX makes your music shine in the wet, thanks to its IP57-rated build quality. This means protection in up to a meter of water for 30 minutes. It also safeguards from dust – ideal for those off-road adventures. Matched with a comfy and stable fit, EX is primed for any sport that'll work up a sweat.

Our most versatile earphones to date

Grab, go, do it all. Beoplay EX takes versatility to a whole new place. Expertly tuned by our in-house audio engineers, these earbuds bring more detail to your music and more clarity to your calls. Crowded commute? Let adaptive noise cancellation block out the world while you stay connected with touch controls. Day-long training session? Rely on the ultra-secure fit and waterproof construction to push you through. Whatever the weather or activity, Beoplay EX will keep you in the moment.
