

Portable smart speaker with the Google Assistant and 360-degree sound.

KEY SELLING POINTS

Smart speaker with Google Assistant

Fill any room with music and let your personal assistant make your home living smarter, more elegant and hands-free.

Stunning 360-degree sound technology

Music is social and with its immersive 360-degree sound performance everyone shares the same experience.

Control everything with your voice

With the Google Assistant built in you can play music, find answers on Google Search, manage everyday tasks and easily control other smart devices in your home.

Fast favourites with OneTouch buttons

Start your favourite music or feature with just a single touch of the OneTouch buttons.

Built for multiroom music experiences

Uncompromised sound quality with Chromecast built-in and Apple AirPlay 2. Bluetooth for quick and easy streaming.

Optional charging dock for flexibility

Just charge, grab and move. The power cable stays in the charging dock providing truly wireless convenience to Beosound 1.
